The UC Santa Cruz Foundation is a nonprofit, public-benefit corporation organized in 1974. Its purposes are to promote greater community understanding of UC Santa Cruz and to solicit gifts in support of academic programs, scholarships, and capital improvements. For the purposes of strengthening the development program and partially defraying related administrative costs, a fee of 3% of endowment gifts and 5% of current use gifts is assessed effective August 1, 2003. All gifts over \$100 will be listed in the UCSC Foundation Annual Report.
