The statistics shown in this report are gathered from 3 different sources. Eighteen hole scoring averages are gathered from all Tournaments played from every school in the country. The hole scoring is gathered from any Tournament using Golfstat's RESULTS or SCORTENT scoring software as well as any school using Golfstat's Statistical service. All other statistics are gathered from any school using Golfstat's Statistical service. Par Saver statistics are compiled from those schools using the ECONOMY service. UP&DOWNS and SAND SAVES are from the DELUXE or BASIC service.
